

Location	Notes	Legend	Symbols & Hatches	Survey Control	Revision Notes																																																																																																																																																																																																									
Project Location	Position & level fixed to OS28(15) Grid. No scale factor has been applied. All dimensions should be checked on site prior to construction. Where invert levels are shown, depths/pipe sizes have been obtained without entry. This drawing is subject to Copyright and should not be duplicated or altered without the consent of William Morris Surveys or the Client.	<table border="0"> <tr> <td>BH</td><td>Bore Hole</td><td>F-P</td><td>Post & Wire Fence</td></tr> <tr> <td>BL</td><td>Bull Ring</td><td>F-C</td><td>Field Fence</td></tr> <tr> <td>BO</td><td>Bolton</td><td>FM</td><td>Fire Hydrant</td></tr> <tr> <td>BR</td><td>Block Paving</td><td>FL</td><td>Flow Level</td></tr> <tr> <td>CAB</td><td>Contour</td><td>GI</td><td>Gate</td></tr> <tr> <td>CB</td><td>Column</td><td>GS</td><td>Ground Surface</td></tr> <tr> <td>CD</td><td>Concrete</td><td>IC-B</td><td>Insp.
